

WE WILL NOT FORGET

Honoring Our Local Heroes Banner Project 2020

2020 marks the third year of the Veteran's Banner project for the Downtown Waterfront Alliance, but this year it is going a bit further. Because heroes come in so many forms, **new this year** will be the addition of First Responders. If you have a hero you would like to honor by purchasing a banner to hang, please contact the Alliance office at info@ghhwa.org and request an application. Cost of a banner is \$200.

We are seeking heroes with a local connection.

For \$200.00 you may purchase a banner with your chosen hero's photo. Your banner will be displayed on Harborview Drive and throughout the downtown waterfront, and will be displayed from late September to mid-November in 2020. We have space for forty banners and they will be approved in the order in which they are received.
